Article 6

This Decision enters into force on the day it is passed.

Annual General Assembly of Shareholders
Chairman

Rationale

According to Article 487 paragraph 1 of the LTC, after the approval of the Annual Account and the Financial Reports and after determining the existence of profit for distribution, the Assembly of Shareholders determines the portion of the profit to be distributed to the shareholders in a form of a dividend, in accordance with the rights attached to the type and class of share. According to Article 487 paragraph 2 of the LTC, the management body can pay dividend in the amount that does not exceed the total acquired profit expressed in the Annual Account and Financial Reports, increased for the transferred non-distributed profit from the previous years or with the reserves that can be distributed, that is that exceed the legal reserves determined by the Charter, if the losses from the previous years have been covered, if that were not covered with the last approved Annual Account and Financial Reports due to any reasons. According to Article 487 paragraph 5 of the LTC, the dividend shall be paid, at latest, within a time period of nine months following the end of the business year.

According to Article 329 paragraph 1 of the LTC, the shareholders are entitled to participate in the profit, whereas according to paragraph 2 of the same Article, the participation of the shareholders in the profit shall be determined in accordance with the type and the class of the share.

According to Article 490 paragraph 1 of the LTC, the decision of the Assembly approving the payment of dividend shall determine the following:

- 1) the amount of the dividend;
- 2) the recording date in accordance with which the list of stockholders entitled to dividend is determined; and
- 3) the dividend distribution plan and the day of payment of the dividend (payment day), and the manner in which the company informs the persons entitled to dividend in accordance with the adopted decision.

According to Article 36 of the Listing Rules of the Macedonian Stock Exchange, if the company passes a decision for the payment of dividend, it shall be obligated to prepare and publish a dividend calendar, in which the following shall be determined:

- amount of gross dividend per share stated in denars
- the cut-off date of the Shareholders' book, which cannot be earlier than 14 days from the day of holding the Assembly of Shareholders on which the decision for distribution of dividend is passed;
- last date of trading with dividend right;
- the first date of trading without dividend right;
- the time limit (date) for payment of the dividend;
- the manner of payment of dividend.

Considering cash availability and projected future cash flow needs of the Company, it is proposed to the Assembly to approve payment of dividend in the amount of 184.506.480 denars from the retained earnings of the Company.

Given that the total number of shares in the Company owned by the shareholders is 846.360, all of which ordinary shares, with equal rights, the dividend proposed to be paid to the shareholders, is in gross amount of 218,00 denars per share.
