<input checked="" type="checkbox"/>	FIRM QUOTATION
<input type="checkbox"/>	FOR BUDGET PURPOSES

Dear all,

Dear all,

You're kindly requested to submit your best quotation for: Calibration of LPG storage vessels in OKTA installation with electro-optical method according attached specification and pictures, which will be submitted to you after confirmation for the participation on tender.

All interested companies who want to participate on the tender need to confirm the participation on e-mail address:

adimitrievski@helpe.gr and tveljanovski@helpe.gr no later than **15.03.2023**.

Note:

The bidders should have accreditation according standard ISO 17025 for calibration of horizontal cylindrical tanks according to the standards ISO 12917-2 with appropriate verified equipment.

The calibration is due to be performed in course of one year, internally, in two separate groups of vessels-7 and 8 vessels, respectively.

The bidder should provide a referent list, relevant to the requested services.

Okta's Reserved Rights

- The bid price should be expressed in EUR without VAT (offers in another currency will not be considered).
- For the purchasing materials the Contractor will submit invoice to the client in due time of five (5) working days after delivery of materials. The Client is obliged to pay the invoice in period of 40(forty) days from the day of the invoice. The Contractor agrees and accepts not to calculate penalty interest if according to the plan(internal procedures) for payment of the Client , the payment is performed after the invoice due date, but no more than 5 working days after due date.
- Questions and / or additional explanations regarding this Request may be submit by bidders only in writing (by e-mail) to the contact persons of OKTA. OKTA will not take responsibility for verbal instructions or suggestions.

- The Bidder accepts that OKTA has the right to choose an offer, and to choose the most successful bidder, who does not have the lowest bid, to order partially and not only from one bidder, to reject the offers that he considers unsatisfactory, to call off or cancel the tender.
- The Bidder accepts that OKTA shall not have responsibility or obligation, in any case, to compensate the bidders for whatever costs or damages resulted from preparing and submitting of the Inquiry.

The interested bidders should submit the offers in an external sealed envelope marked:

"DO NOT! OPEN INQUIRY NUMBER 1766/23"
(Written in the upper left corner of the envelope)

The deadline for submitting the offer in the archive of OKTA latest by 20. 03.2023.

The offer can be submit personally in OKTA archive or by post office:

Our address is:

OKTA AD Skopje
1 str. No.25, Miladinovci
P.O. Box 66
1000 Skopje,
Republic of North Macedonia

The submitted offers that will not comply with the stated conditions in this Request, shall be considered as nonacceptable and will be not part of further evaluation.

Best regards,
Toni Veljanovski

Very truly yours
Procurement Manager
Aleksandar Dimitrievski
